

NATURAL EASTER EGG DECORATING

extension activities

What colors do you think each of these will turn the egg?

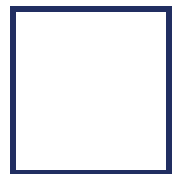

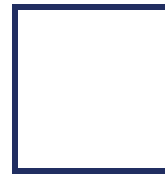

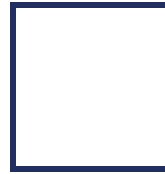

Try dipping some of your eggs in two different colors. What color does it become? Draw your egg color in the boxes.

Describe the color of the eggs after:

1 hour in the dye: _____

3 hours in the dye: _____

Overnight in the dye: _____

What plants and flowers did you use on your egg?
On the back of this page, draw a picture of your plant.
Come up with a list of 10 other flowers and plants
grow in New England.
